## Pershore Riverside Centre venue hire

The Riverside Centre provides a well-placed venue, aimed at young people but benefitting the whole community of Pershore. With its **own car park and disabled access**, everyone is welcome. The **large hall** is ideal for our youth groups but equally good for Zumba, yoga, a mini-sports hall – with a sound system, tables and chairs for 60 people. Add in the private field, our pontoon on the River Avon and access to water sports makes the perfect spot for any event. The **meeting room** works for small business teams or, classes, or even counselling sessions. It can be combined with the adjacent decking, and marquee, to allow for a larger group with a river view. Our **community room** is a relaxed space with multifunctional furniture to cater for any use. It is best set up for comfortable learning in groups, but can also be used as a more relaxed social area, with a view of the Abbey. A **kitchen with serving area**, **TV room** and **music room**, are also available.

YOUR hire fees will provide more high-quality support and opportunities for young people in Pershore. **Come to see how we can help you!**
